Getting Started with Go  
Functions, Methods, and  
Interfaces in Go  
Concurrency in Go

Mar 17, 2026

**Leonardo Lopes de Oliveira**

has successfully completed the online Specialization

# Programming with Google Go

This specialization is intended for individuals who wish to improve their programming skills and harness the reliability and efficiency of Google's programming language - Golang. Because it is an introductory program, there are no specific prerequisites other than an interest in computer software. Some previous coding experience required.

Ian Harris  
Professor  
Department of  
Computer Science

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
